About PLNT Students

“PLNT Students combines fun with innovation and possibilities in every encounter.”

The mission of PLNT Students is to become the student entrepreneurs association of The Hague. As the board, you are the face of PLNT Students. With your enthusiasm, drive and ambition you get other students moving. Your goal is to engage, promote and activate students that are interested in entrepreneurship, focusing on students of Campus The Hague - Leiden University. These students can further develop their entrepreneurial skills within PLNT Students through various programs. PLNT Students organizes trainings, facilitates (work)spaces and offers help to build a new, large network. This way, PLNT students members can become entrepreneurs themselves.

PLNT encourages startups to emerge and makes them grow. We stimulate, facilitate and support talent to become innovative entrepreneurs. We bring together the worlds of innovation and entrepreneurship, literally as well as figuratively. We strive towards innovation and independence. Both are prompted by an intrinsic desire to make a difference in tomorrow's world. At PLNT, they come together, because when worlds meet, growth follows.
