STUDENTS

This is what we're looking for

As **Treasurer and Business Affairs for PLNT Students The Hague** you are responsible for the accounting and financial running of the association. You arrange all finance matters such as the collection of contributions, keeping accounts, presenting the budget and annual report. You provide the board and association with insight into finances, on which association plans can be built.

You are also responsible for seeking sponsorship and arranging sales acquisition in collaboration with the PLNT Team. For example, you recruit paying members and generate income by establishing partnerships which can expand your financial plans.

Finally, you approach other entrepreneurs to create a larger network within PLNT Students The Hague.

We expect you to

- Have an interest in learning more about entrepreneurship and innovation;
- Be part of creating a community to support new entrepreneurial talent;
- Be able to build and maintain partnerships for PLNT Students The Hague that create long-term value;
- Be organised and have an affinity for accounting and arranging acquisitions;
- Speak and Write English fluently;
- Be available part-time for a year (June 2022-2023) for 8-12 hours per week (maximum);
- You do not have to be physically available in the Hague during the summer vacation, but we do request you to be available to work and collaborate online to plan for the upcoming year;
- Be at least in your second semester of your first year of study at a University or University of Applied Sciences in the Hague.

This is what you gain

As **Treasurer and Business Affairs for PLNT Students The Hague**, you are part of our team and the PLNT Community. You and your colleagues, as the first PLNT Students board, will give direction to this entrepreneurship association for students. You have the opportunity to work on your personal goals and skills. You increase the chance of starting your own startup at PLNT (or join one!). Talent will be recognized and rewarded!

You get your own workspace in The Hague.

At PLNT you get to know the entrepreneurial world, expand your network.

What we offer

- The opportunity to create a legacy for the future as the first PLNT Students Board in The Hague;
- Personal training & coaching sessions from experts;
- Opportunity to gain in-depth knowledge of the Dutch startup ecosystem;
- Access to an unique and big network in The Hague;
- A financial compensation.

Are you interested? Send us an email with a short motivation and your resume.

About PLNT Students

“PLNT Students combines fun with innovation and possibilities in every encounter.”

The mission of PLNT Students is to become the student entrepreneurs association of The Hague. As the board, you are the face of PLNT Students. With your enthusiasm, drive and ambition you get other students moving. Your goal is to engage, promote and activate students that are interested in entrepreneurship, focusing on students of Campus The Hague - Leiden University. These students can further develop their entrepreneurial skills within PLNT Students through various programs. PLNT Students organizes trainings, facilitates (work)spaces and offers help to build a new, large network. This way, PLNT students members can become entrepreneurs themselves.

PLNT encourages startups to emerge and makes them grow. We stimulate, facilitate and support talent to become innovative entrepreneurs. We bring together the worlds of innovation and entrepreneurship, literally as well as figuratively. We strive towards innovation and independence. Both are prompted by an intrinsic desire to make a difference in tomorrow's world. At PLNT, they come together, because when worlds meet, growth follows.
